Helping women with the emotional challenges of Christmas, especially if they are separated from their families

Christmas can bring up many emotions for women at Catherine House. The vulnerability of homelessness, along with the breakdown of relationships and jobs can make life feel out of control. We find one of the best gifts we can give during this time is a **Gift Card** - where our women can go to the shops and choose a gift themselves or perhaps buy one for their child. Allowing women the dignity of choice and an opportunity to take part in the tradition of giving is something truly special.

**Gift Cards in \$25 denominations from Coles Myer, Woolworths, Target, Big W and Kmart are greatly appreciated.**

**GIVE THE  
GIFT OF  
CHOICE**
